

Upstairs

Enmei Carrasco

Upstairs the Spanish dignitary
drums the floor in cloven hooves
drops in for butter, drops by for grass
drums the ceiling with a tak tak tak
with his penchant for deepest drunks
wearing delicate neckties
doused in fragrant cologne
thinks I've a secret I keep
an after after hours show
women in d cups past their prime
I'm pulling something over
I'm packing a bowie
I've a cunt to crack a sidewalk
a field of mutant pussy berries
dodging chocolate cakes
drops by to see what's cooking
drops by for butter
for rice with a plunger
or a postage stamp
and all hours says tak tak tak
in Spanish castanet hooves
thinks I can't discern
thinks I don't read
between the mines.
