Be Part of a Progressive Movement in San Antonio

With our vision for social, environmental, economic and gender justice, Esperanza centers the voices and experiences of the poor & working class, women, queer people and people of color. We hold pláticas & workshops; organize political actions; present exhibits & performances and document & preserve our cultural histories. We consistently challenge the power structure on issues of development, low-wage jobs, gentrification, clean energy and more.

¡Todos Somos Esperanza!

It takes all of us to keep the Esperanza going.
