**LSI (Low Self-Image)**

She's young  
pretty  
and has LSI.

People put her down –  
That explains why.

She has a beautiful heart  
and a beautiful face.

It hurts my heart  
that she in disgrace . . .

I pray at night  
that her faith will grow.

It's a shame 2 me that  
she has no hope.

Young  
Black and  
pretty  
with LSI.
