

Young Female

You're still young
and you have a lot ahead of you.
Let me tell you what I've been through.

I went through the same thing
when I was your age,
being incarcerated and wearing beige.

It's not fun, it's not a game
but you might laugh
and think that it's lame.

When I heard about you, I knew right then and there
you were another version of me
when I went there.

I got molested and it makes me angry
when I hear you're out there,
doing it big.

If you catch an STD, that's you.
But I'm trying to tell you
before you go down that road.

It's not fun, young female.
Don't let anybody bring you down.

Young Female.
