

Cris G.

My name is Cris G. I am 17.

I'm 100% Mexican.

I'm a father, and I love my son and my son's mom because she gave me a beautiful son.

I am a loyal person. People respect me and I'll respect them. Fake people around me won't make it.

I love my momma 'cause she brought me to this world.

I got an anger problem so you better keep wit' it.

I'm a real person to hang out.
