Paseo por el W

Paseo por el Westside began as a commemorative event for *National Historic Preservation Month* on Saturday, May 22, 2010 at the Esperanza's westside location, the *Rinconcito de Esperanza* at the corner of Colorado and Guadalupe Sts. *Paseo* commemorates the preservation of important Westside buildings and sites and celebrates the cultural heritage and history of the Westside of San Antonio. This year would have been 11 years of the *Paseo por el Westside* but due to the COVID-19 pandemic, we can only celebrate *Paseo 2020*

Westside, a tribute

with video tributes on Esperanza's Facebook and YouTube, plus this small photo tribute in *La Voz*. Esperamos celebrar **Paseo por el Westside** en grande en 2021! In the meantime, join us in efforts to save the Alazan Apache Courts, one of the oldest public housing units in the U.S. where Eva Garza, *America's Sweetheart*, and many other famosos have lived !
