Truly Texas Mexican, a video documentary

by Adan Medrano

In his new documentary, *Truly Texas Mexican*, tacos, feminism, and cultural resistance, Adán Medrano traces the food heritage of the Texas-Mexico borderlands filming in mueres' kitchens from the Rio Grande Valley up to San Antonio exposing a centuries old cooking legacy that lives in the comida casera of Tex Mex cooking.

Inspired by Medrano's book, *Truly Texas Mexican, A Native Culinary Heritage in Recipes* (2014), the film will premiere on March 1st and will air on some PBS stations.

Medrano visited the Esperanza in June 2019 with a plática and demonstration for his book, *Don't Count the Tortillas!*
