VOZ VISION STATEMENT: La Voz de Esperanza speaks for many individual, progressive voices who are gente-based, multi-visioned and milagro-bound. We are diverse survivors of materialism, racism, misogyny, homophobia, classism, violence, earth-damage, speciesism and cultural and political oppression. We are recapturing the powers of alliance, activism and healthy conflict in order to achieve interdependent economic/spiritual healing and fuerza. La Voz is a resource for peace, justice, and human rights, providing a forum for criticism, information, education, humor and other creative works. La Voz provokes bold actions in response to local and global problems, with the knowledge that the many risks we take for the earth, our body, and the dignity of all people will result in profound change for the seven generations to come.
