

Be a Monthly Donor!

Lanier students gathered at Esperanza's Casa de Cuentos to interview elders about life in the Westside.

The *Esperanza Peace and Justice Center*, founded in 1987, has matured into a diverse group of Buena Gente who give abundantly. We are grateful that some of you are monthly donors to the Esperanza

demonstrating your commitment to our vision. However, we now need Buena Gente to sign up as monthly donors more than ever. The current administration in Washington, D.C. is threatening to eliminate funding for non-profit organizations such as the *Esperanza* which will jeopardize our programming and projects. By becoming a Monthly donor, you will strengthen Esperanza's financial base with a consistent influx of funds for budgeting and planning. We invite you to be a monthly donor to:

- Demonstrate your thanks on a regular basis for *Esperanza*'s mission
- Be among the special givers that now sustain our work

- Assure that everyone can do their share in promoting the work of social justice

The goal of increasing the number of Monthly Donors is important now that a crisis exists in this country and is spreading throughout the world. When and how it will end remains to be seen.

Your donations permit *Esperanza* to: support youth at marches, stand up with immigrants, defend the rights of LGBTQ+ persons, advocate for equity for women in society, demand housing for all, insure the cultural integrity of our communities and address climate change issues, among other social justice issues affecting us all. Join us in meeting these challenges at the *Esperanza Peace and Justice Center* and become a monthly donor. Our goal is to identify 10 new monthly donors by June 30th, 2025 and increase the total number of monthly donors. We hope to count on you as one of our new monthly donors. Join us! ¡Todos Somos Esperanza! Contact yours truly at 210-228-0201 and fundraising@esperanzacenter.org to sign up or for more information on monthly donors. Also, you may sign up online to be a monthly donor:

esperanzacenter.org/donate-2/. Thank you!

—Richard J. Aguilar, *Esperanza Peace & Justice Center Fundraising Organizer*

¡Sea Donante Mensual!

Buena gente of the Esperanza greet old friends at the Peace Market / Mercado de Paz annually.

El Centro de Esperanza para la Paz y la Justicia, fundada en 1987, se ha convertido en un grupo diverso de Buena Gente que dan generosamente. Estamos agradecidos que algunos de ustedes son donantes mensuales, demostrando su compromiso

- Que aseguren que todas y todos cuentan en la obra hacia la justicia social

La necesidad de aumentar el número de donantes mensuales es sumamente importante. Estamos en una crisis en este país que está contaminando a todo el mundo. No sabemos cuando esto terminará. Sus donativos dan fuerza para que *Esperanza*: pueda apoyar a jóvenes en participar en marchas de protesta, apoyar a inmigrantes, defender los derechos de la comunidad LGBTQ+, abogar por la equidad de las mujeres, hacer demandas para viviendas adecuadas para todos, abordar los problemas del cambio climático global, y otras luchas para asegurar el bienestar de todos. Nuestra meta es identificar 10 donantes mensuales nuevos antes del 30 de junio de 2025 para aumentar el número de donativos especiales. Contamos con ustedes que sean nuevos donantes mensuales. ¡Únanse con nosotros! ¡Todos Somos Esperanza! Favor de contactar a su servidor: 210-228-0201 o fundraising@esperanzacenter.org. También, se podrá inscribirse:

esperanzacenter.org/donate-2/.

Con gusto nos comunicaremos sobre donaciones mensuales. ¡Muchas gracias!

—Richard J. Aguilar, *Organizador para la Recaudación de Fondos en Esperanza*
