

# Árboles de Vida del Westside

**MujerArtes' Árboles de Vida del Westside** was a wonderful success due to the many Buena gente, staff and the mujeres of the clay cooperative who tirelessly worked on the exhibit. In addition, the Woodworkers Union under the guidance of Michael Martinez contributed the platforms the árboles were exhibited on and Guadalupe Segura arranged the beautiful florals. Las mujeres agradecen todo lo que hicieron para lograr este éxito.

## Árboles de Vida del Westside
