Esperanza's annual *International Peace Market/Mercado Internacional de Paz* brings people together in the tradition of open-air markets found in indigenous communities around the world. The Peace Market fills up two floors of the Esperanza Center and spills out into the patio and Evergreen

St. The Mercado gives shoppers direct access to global and local artesanos who sell unique handcrafted goods with themes of peace, social justice, cultural diversity and ecological concerns. The 2024 Mercado will welcome over twenty in-

ternational artisans representing a variety of states from all over Mexico. Locally, noted visual artists, DIY artists and creatives offer a diversity of products ranging from self-care, practical use to aesthetic appreciation. Live performances include music, poetry and storytelling.

A delicious variety of food and drinks are available all day. Enjoyable for gente of all ages and abilities, the Peace Market is the place to meet up with your friends and family. Come buy unique gifts, meet new friends and celebrate with us, our 35<sup>th</sup> Annual Peace Market!
