Ofrenda a Nacho

Indica el calendario que hemos girado al sol una vez desde ...
Girando sin poder contarte entre los viejos amigos,
Nunca más platicar del caldero de los recuerdos
Acordándonos de tiempos ligeros entre calderos ajenos,
Calderos que consumían insaciablemente a nuestra juventud
Incendiando su inocencia con invisible ignorancia
Optando por la resistencia de la inteligencia de antiguas raíces

NACHO

Elegiste superar los inmerecidos castigos de segregación
Siguiendo el timón moral de tu herencia maternal
Con la fuerza ejemplar de tu herencia paternal,
Ambas anclas fijas en el calor de tu saludo,
Naciste de la tierra que nunca te dejó,
De tu cultura ancestral te empapaste
Organizando el caos de la realidad
Nutrida de las ilusiones que guían nuestras vidas.

Call to action!

Look! Look! “People of the book”

This is a call to action:

In the Middle East the monstrous beast of war
has reared its ugly head
and people and their children are dead.
We must stop this insanity
these crimes against humanity-
it's too late for debate
the trapped cannot wait
write, phone, do what you can.

It's up to you as an ethical, caring Jew.

Journalist casualties in the Israel-Gaza war

The Israel-Gaza war has taken an unprecedented toll on Gazan journalists since Israel declared war on Hamas following its attack against Israel on October 7, 2023. As of October 18, 2024, the *Committee to Protect Journalists* preliminary investigations showed at least 128 journalists and media workers were among the more than tens of thousands killed in Gaza, the West Bank, Israel, and Lebanon since the war began, making it the deadliest period for journalists since CPJ began gathering data in 1992. CPJ is also investigating numerous unconfirmed reports of other journalists being killed, missing, detained, hurt, or threatened, and of damage to media offices and journalists' homes. It is still our wish that the War come to an end quickly and further casualties are eliminated. For more on the journalists, check-bit.

Ofrenda for Nacho

— Ignacio Escandón Silva (1945-2022)

The calendar indicates that we've turned round the sun once since ...
turned without being able to count you amongst the old friends,
nevermore to chat about the cauldron of memories
reminding ourselves of lighter times in among foreign cauldrons,
cauldrons that insatiably consumed our youth
inflaming their innocence with invisible ignorance
opting for the resistance of the intelligence of antient roots.

NACHO

You elected to overcome the undeserved punishment of segregation
following the moral helm of your maternal heritage
with the exemplary strength of your paternal heritage,
both firmly anchored in the warmth of your greeting,
you were born in the land that never left you,
you soaked yourself in your ancestral culture
organizing the chaos of reality
nurtured with the illusions that guide our lives.
