San Antonio Public Library-Central

2<sup>nd</sup> Floor-Chihuly area

Black Stories are American stories. Join us for a collaborative event to share and celebrate the black experience as we honor Juneteenth in the iconic atrium on the second floor of Central Library. Through this community-driven program we invite Black and African American San Antonians to share their experiences through storytelling, art, dance,

song, or other forms of expression. A microphone, electric piano, electric guitar, bass and amplifiers will be provided. Join us to share your talent and history or stop by to support the community for Juneteenth.
