

The annual *Paseo Por El Westside* 2025 incorporated a sneak peek at the new *Museo del Westside* and became the *Celebrando El Paseo Y Museo Del Westside* in 2025. Aside from the sneak peek of the new *Museo*, the event featured música, workshops, food, aguas, games and exhibits. Community groups and vendors joined the *Paseo* with informative exhibits and handmade goods to sell. Intergenerational families and visitors from all of San Antonio and beyond attended enjoying and interacting with performers, artisans, and volunteers. We look forward to 2026 and thank you all who attended and everyone who made it a successful event. Because of you, Buena gente, the *Esperanza Peace and Justice Center* continues to thrive!
